

THE FINAL THRUST MINISTRIES

VISION CASTING

Personal Vision Goals & Strategies

2022

VISION

Vision is simply a question of "What do you see?"

Where is the Father leading you in the four key areas of your life

- *Personal Life and Relationship with Him*
- *your Marriage and/or Family Life*
- *in your Job, Business and Personal Finances*
- *and your Personal Ministry in Relations to your Church*

Understand we can discern God's heart because we have His Word.

His word reveals His Will, and His Will contains our call and our purpose.

And the Holy Spirit leads us to all truth.

SAMPLE VISION:

Follow the great commission in the daily context of my life (Matt 28)

GOALS

Goals are measurable, specific objectives that embody your vision.

In other words, your goal achieved is your vision manifest, or brought to life.

SAMPLE GOAL

Lead and disciple two individuals to Christ by December 2022

STRATEGIES

Strategies answer the question of how. These are specific actions, tasks or habits you incorporate into your daily routine to accomplish the goals.

SAMPLE STRATEGIES

- a) Take Making Disciples Workshop in February 2022
- b) Meet with an accountability partner weekly to discuss the goal
- b) Pray daily and be aware for opportunities to share in my daily life
